HAPPY FRIDAY!!!

Be A part of the Solution ...not the problem

As City Manager, I often hear people say "Someone ought to do something about that" or, "the City needs to address the problem"or, my favorite "There is nothing to do in Greenfield!"

Unfortunately, the City cannot address any of these issues ...without the help of many volunteers in Greenfield willing to donate their time, talents and energy. On June 25th, the City of Greenfield approved the establishment of the Recreation and Special Events Committee and we are now looking for passionate people to serve on this very important Board. During my career as a City Manager, I have had the privilege of working in many dynamic organizations which benefited from residents volunteering to be a part of their city government. The Recreation and Special Events Committee is a great chance to make a difference in Greenfield and to provide our children with new opportunities to engage in healthy safe and fun activities....instead of joining gangs or sitting in front of the TV or surfing the Internet. The Committee will be in charge of developing new special events in our City which celebrate community and promote community pride and commercialism.

But, the Committee will not be successful unless people from the community step up ...and get involved.

If you are reading this newsletter, you obviously care about Greenfield. So, I am asking you, yes you....., to get involved. Please, give some thought to filing out a Board application for appointment to the committee. There are so many great ideas that Greenfield "ought to do" or fix or create to make our town a fun place to live work and play. But, it does not happen without people. It would be great to see new people stepping up and getting involved. If you have any questions about the board, give me a call at 831.674.5591.

OUR CITY NEEDS YOUR HELP!!!

The City of Greenfield is looking for seven passionate, energized and exciting people for appointment to the newly created Recreation and Special Events Advisory Committee! The purpose of the Committee is to make Greenfield a more exciting and fun place to call home.

If you are interested in making Greenfield recreational and have an interest in special events, please click [HERE](#) to download an application. You can email it to Nina Aguayo at: naguayo@ci.greenfield.ca.us
