Should an approved additional service last more than ten (10) working days, affected employees shall be paid the five percent (5%) bonus retroactively to the first day of the assignment.

For purposes of this provision, prior approval shall be required from both the department head and City Manager. The City Manager may apply the premium retroactively without prior approval.

This temporary payment shall terminate after ninety (90) calendar days unless an extension is specifically approved by the City Manager.

In determining whether an employee is working out of their position classification, the City will consider the distinguishing features of that classification, essential functions of the position and the required knowledge, skills and abilities needed to perform the additional assignments. Request for premium pay shall be denied if the assignment or duties are not considered outside the parameters of the job classification or exceed the minimum experience and education requirements of the job classification.

In exercising legally protected Union rights, the Union acknowledges that the City has a legitimate business interest in maintaining a professional image for its public employees, and a cornerstone of this image is its requirement that all employees dress in professional attire and project a positive image to the public.

Employees are liable for issued uniform items that have been lost, stolen or damaged beyond economic repair, except if the damage is due to the nature of the job. If a uniform has been damaged as a result of the nature of the job or extenuating circumstances, employees are required to report and request a replacement from their direct supervisors.

1. Vacation Policy

The purpose of annual vacation leave is to enable each eligible employee to take a break from his work and return mentally refreshed. For this reason, it is the intention of the City that vacations are taken, insofar as possible, in period of one week or more.

2. Vacation Accrual

All full-time employees shall be credited with vacation time related to years of continuous service in accordance with the following schedule:

- a. Less Than Five (5) Years. For employees completing less than five (5) years of continuous service, six and two-thirds (6 2/3) hours for each month of service – ten (10) working days

per year. No more than 240 hours may be accrued at one time.

- b. Five (5) or More Years. For employees completing five (5) or more years of continuous service, ten (10) hours each month of service – fifteen (15) working days per year. No more than 360 hours may be accrued at one time.
- c. Fifteen (15) or More Years. For employees completing fifteen (15) or more years of continuous service, fourteen (14) hours for each month of service – twenty-one (21) working days per year. No more than 504 hours may be accrued at one time.

Employees shall not work for the City during their vacation in order to earn double compensation. Maximum vacation accrual shall be in accordance with City Rule 20.

In the absence of a departmental policy approved by the City Manager, employees shall apply for vacation at least seven (7) calendar days before the requested effective date of vacation. Should the requests of

two employees' conflict, the supervisor may recommend to the Department Director changes to best accommodate all employees. Important criteria to be considered by the supervisor are the classification and seniority of the employees, the dates on which the vacation requests were submitted and workload requirements.

4. Compensation in Lieu of Time Off

Based on a documented hardship, the City Manager may modify or waive this requirement in any manner that is in the best interest of the City. The decision to waive or modify this requirement by the City Manager is not subject to appeal or arbitration.

G. Drug Testing

All City employees are expected, as a condition of employment, to remain free of drugs or alcohol in the workplace. The City will not tolerate the use of illegal drugs by its employees, nor will it tolerate the use of any drug or alcohol which may imperil the health, safety, or well-being of its employees or the public. The City provides an Employee Assistance Program (EAP) to help employees and their families who suffer from alcohol and drug abuse, stress, or other mental or health problems. It is the personal responsibility of each employee to seek assistance from the EAP before drug abuse and alcohol problems lead to disciplinary action or interfere with job performance. Management may refer employees to the EAP at such time as they perceive an employee's job performance or attendance is deteriorating.

Pursuant to Federal Drug-Free Workplace Action of 1990, the City of Greenfield has adopted a policy setting forth the terms and conditions to establish and maintain a drug-free workplace. The policy, entitled "City of Greenfield Drug-Free Workplace," is incorporated in Personnel Rule 17, Section 6, Attachment A.

Every effort shall be made to include substantiated information within an employee's performance evaluation.

An employee may appeal an annual performance feedback appraisal with his or her immediate supervisor where it is believed that the overall rating or individual performance factor ratings do not represent a true evaluation of the employee's work performance during the appraisal period. The written appeal must contain the following information:

- The specific performance factor being contested;
- The rating the employee proposes for each factor being appealed;
- The specific facts to support each of the performance factors being appealed.

If the discussion with the immediate supervisor does not resolve the appeal to the satisfaction of the employee, the employee may then file a written request to meet with the Department Director.

Upon receipt of the written request, the Department Director shall meet with the employee within ten (10) working days or respond in writing to the employee. Should the Department Director fail to meet with the employee or provide a written response, the employee may request a meeting with the City Manager within five (5) working days. If no such request is timely received, the proposed change(s) to the written performance evaluation shall be deemed rejected and the evaluation will be considered final.

It is the responsibility of each employee to take a rest period.

Rest periods may be suspended when unusual emergency conditions require continuous performance of duties in order to protect or preserve life or property.

Rest periods may be suspended for up to five (5) continuous days when short term staffing shortages or workload demands require continuous work in order to provide essential services.

Article XIII. Grievance Procedure

Grievance Defined

Grievance is defined as a complaint by an employee or a group of employees based on alleged violation, misinterpretation or unequal application of the provisions this Memorandum of Understanding by an employee or group of employees adversely affected thereby, but shall not include the following:

- A. Disciplinary actions as defined herein which shall be subject to appeal through the procedure Contained in this Agreement for the appeal of disciplinary actions;
- B. Complaints regarding Affirmative Action, Occupational Health and Safety, Workers' Compensations or discrimination complaints based on age, race, color, religion, sex, national origin, marital status, ancestry, handicap or sexual orientation or the applicable procedures for such complaints;
- C. The exercise of any City rights as specifies in this Memorandum, so long as the exercise of such rights does not conflict with other provisions of this Agreement;
- D. Any impasse or dispute in the meeting and conferring process, or any matter within the scope of representation;
- E. Any matter for which a different appeals procedure is provided either by statutes, ordinances, resolutions, or agreements.

The Union may file a grievance on its own behalf only on those matters which pertain to the rights of the Union as an organization as specified in Article 5 of this Agreement.

No employee or group of employees may refuse to follow direction pending the outcome of a grievance. Employees will follow all lawful directives, even if such directives are perceived as being in conflict with the provisions of this Agreement. Compliance with such directives will not in any way prejudice the employee's rights to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance.

Nothing in this Article or elsewhere in this agreement shall be construed to permit the Union to process a grievance on behalf of an employee without his consent.

An employee covered by this Agreement shall have the right to be represented or refrain from exercising the right to be represented in the determination of grievances arising under the terms and conditions of employment covered by this Agreement. If an employee desires Union representation in presenting a written grievance, he/she shall not be required to discuss the written grievance if a Union representative is not present. Nothing in this section shall be construed to prevent any employee from presenting, at any time; his/her own grievances, and having such grievances adjusted without the intervention of the bargaining agent. The City will notify the Union of grievances that have been adjusted without Union representation and results thereof.

Limited Grievance Procedure Application

An employee shall be entitled to file a grievance which alleges that the City has failed to provide a specific condition of employment which is established by the Personnel Policies

provided that the enjoyment of such right is not made subject to the discretion of the department head or the City and provided further that the condition of employment which is the subject matter of grievance is a matter within the scope of representation as defined in California Government Code Section 3504.

No Discrimination

There shall be no restraint, interference, coercion, discrimination or reprisal against any employee for exercising any rights under the grievance procedure.

Time Limits

The time limits set forth herein are essential to the grievance procedure and shall be strictly observed. The time limits may be extended by agreement of the parties; however, any such extension must be confirmed in writing or email.

The grievant has the right to promptly proceed to the next step within the prescribed time limits if the appropriate management representative fails to respond within the time limit specified.

Failure of the aggrieved employee to file an appeal within the prescribed time limits for any step of the procedure shall constitute abandonment of the grievance.

One steward or one Union officer shall be allowed reasonable time off without loss of pay during his regular shift hours or investigating, presenting, and appealing grievances up to and including Step 3 of this procedure. The performance of this function by the Union representative shall in no way interrupt the normal functioning of the department. The Union agrees to guard against the use of excessive time or such activities which are authorized by this Agreement.

The City and the Union agree that maintenance of superior service and adherence to schedules are compelling commitments which may at times create delays and necessitate postponements which will automatically extend the time limits or the duration of the postponement. The steward will provide advance notice to supervision to allow planning arrangements to enable the representative time to investigative activity. When a steward desires to contact an employee who has a complaint, he/she shall first obtain oral permission from his supervisor and the aggrieved employee's supervisor. If permission must be denied at that particular time, the steward will be informed of the reason for the denial and when he/she can reasonably expect to contact the employee concerned. The steward will notify his supervisor upon his return to work.

A grievance not submitted within the time limits as prescribed for every step shall be considered untimely and deemed null and void. A grievance not answered within the time limits prescribed for the appropriate management representative at each step shall entitle the employee or the Union to advance the grievance to the next step. Time limits at any steps of the procedure may be extended by written mutual consent of the parties.

Grievance Procedure Steps

Step 1 – Discussion with Immediate Supervisor

The grievant shall first discuss the grievance with his/her immediate supervisor, or in his/her absence, the supervisor's designee. The Union or grievant will present the grievance in writing to the employee's immediate supervisor and/or division head (where applicable and determined by the department director) and a copy to the City Manager. The discussion shall be held within fifteen (15) working days of the action causing the grievance or of the date the action reasonably could have been expected to be known to the grievant. Where mutually agreed by the City and the Union, grievances involving more than one grievant may be filed directly at Step 2.

Every reasonable effort shall be made to resolve the grievance at this level. The immediate supervisor shall respond to the grievant in writing within five (5) working days of the informal discussion between the grievant and supervisor.

Step 2 – Department Director

A. In the event the employee believes the grievance has not been satisfactorily resolved, the employee or the union representative shall submit the grievance in writing to the department head within ten (10) working days after receipt of the immediate supervisor's written response. One (1) copy of the grievance shall be filed with the City Manager. Such written grievance shall:

agreed to by both the City and the grievant. The department head or his/her designee shall hold a meeting with the grievant within seven (7) working days of the receipt of the appeal. The department head or his/her designee shall deliver his/her written decision to the grievant and/or his/her representative with three (3) working days of the date of the grievance meeting. The department head's or his/her designee's decision shall include the reasons on which the decision is based and the remedy or correction which has been offered, if any, to the grievant.

Step 3 – City Manager

- A. If a grievance is not settled at Step 2 of the procedure, the grievance may be appealed, in writing to the City Manager, or his/her designee within ten (10) working days from the receipt of the department heads or his/her designee's written decision. Said grievance appeal must specifically set forth the reason the answer(s) previously provided by management is/are not satisfactory.
- B. The City Manager or his/her designee shall hold a meeting with the grievant within seven (15) working days of the receipt of the appeal.
- C. The City Manager or his/her designee shall deliver his/her written decision within ten (10) working days of the date of the meeting.
- D. If the grievant is not satisfied with the disposition of the grievance at Step 3, the grievance may be submitted to expedited arbitration, as determined by the Union or the City. If an appeal for arbitration is not filed within fifteen (15) working days of receipt of the City Manager's written decision, the grievance shall be considered settled on the basis of the City Manager's decision.

Step 4 – Expedited Arbitration (Pilot Program)

The City and the Union (collectively, "the Parties") agree to participate in a pilot program or an expedited arbitration process. The pilot program shall terminate with the expiration of the MOU, unless extended by mutual agreement.

- A. The grievance/disciplinary appeals to be referred to this process shall be determined by mutual agreement only. The Parties agree that this process shall be reserved for those cases of limited scope and limited impact.
- B. The arbitrator shall mutually be selected by the Parties. If the Parties cannot agree upon an arbitrator, the Parties shall request the State Mediation and Conciliation Service to furnish a list of seven (7) arbitrators. Any fee for the list will be shared equally by the Parties. The Parties shall alternately strike names until one (1) arbitrator remains.

PROCEDURES

The expedited arbitration hearing shall be conducted according to the following procedures, and the arbitrator will be responsible for enforcing them:

1. The agenda of grievances/disciplinary appeals to be heard by the arbitrator shall be determined by mutual agreement of the Parties in advance of the hearing. On the day of the hearing, the arbitrator will hear and decide as many grievances/disciplinary appeals on the agenda as can be reasonably presented in a normal workday.
2. Prior to the hearing, the Parties must mutually agree to a statement of each issue that will be decided by the arbitrator, or the case will not proceed through this process.
3. The grievant/appellant and his/her union steward will attend the hearing and will not incur any loss of wages for attending.
4. Informal rules of evidence, with Parties stipulating to admission of three (3) exhibits from each side [a single "exhibit" may include or consist of multiple attachments, if the original did, or a series of copies reflecting the exhaustion of a remedy, e.g., a grievance from, plus Step 2 and 3 response letters, and an appeal letter].
5. Each part shall have one official representative, who shall not be an attorney, to give the opening and closing statements, and request a "point of order" if necessary. A "point of order" may be requested on occasion to clarify procedure, or to refresh a witness' memory. Each party may give short opening and closing statements (not to exceed 5 minutes for each).
6. One witness shall be allowed to testify for each party, limiting the presentation to 15-20 minutes for each side (not including response to the arbitrator's question). No direct or cross-examination will be permitted, but the arbitrator may ask questions at any time.
7. After each side has "rested" (i.e. concluded its presentation), the arbitrator shall be given time for deliberation and a closer reading of the exhibits, for approximately 20 minutes. The arbitrator will then announce a bench decision, with any qualifications or explanations. Each party's representative may ask up to two (2) short, follow-up questions to understand the arbitrator's rationale for the decision. Then the room will promptly clear in preparation for the next hearing.
8. The bench decision of the arbitrator shall be final and binding but shall have no precedential value whatsoever. At the request of either party, the arbitrator may provide a one (1) page written decision within 30 days of the hearing.
9. There shall be no stenographic record, transcripts or recording of the hearing.
10. Pre and post hearing briefs are not allowed.

11. The arbitrator shall have not authority to add to, delete, or alter any provisions of the MOU or any supplementary agreements thereto, but shall limit the decision to the application of the MOU to the facts and circumstances at hand.

12. The arbitrator's fee will be evenly split between the Parties.

Step 5 – Arbitration

After receipt of the appeal to arbitration, the parties shall meet to select an arbitrator. If no agreement can be reached, the parties shall jointly request the Federal Mediation and Conciliation Service to furnish a list of five (5) arbitrators. Each party shall have the right to unilaterally reject one list of arbitrators. Thereafter a list may only be rejected by mutual consent of the parties. Both the City and the Union shall have the right to strike two (2) names from the panel. The parties shall meet and alternately cross out name son the list. Lot chance shall determine who shall cross out first. The remaining person shall be the arbitrator. The arbitrator shall be notified of his selection within five (5) working days by a joint letter from the City and the Union requesting that he set a time and place subject to the availability of the City and Union representative.

- A. The hearing on the grievance shall be informal and the rules of evidence shall not apply.
- B. The arbitrator shall not have the power to add to, subtract from, modify or alter the terms or a collective bargaining Agreement in arriving at a decision of the issue or issues presented, and shall confine his decision solely to the interpretation or application of the Agreement. The arbitrator shall not have authority to determine any other issues not submitted to him.
- C. The arbitrator shall be requested to render his decision as quickly as possible.
- D. The arbitrator's decision shall be binding for the life of the Agreement. Neither the City nor the Union will be permitted to introduce any grounds or evidence to the arbitrator which was not previously disclosed to the other party.
- E. Should either party request a transcript of the proceedings, that party shall bear the full cost of the transcripts. If the arbitrator requests a copy, the costs shall be shared equally.
- F. The arbitrator's fee and expenses shall be shared equally by the City and Union.
- G. Each party shall bear the full cost of its legal representation at all levels of the grievance procedure. The City shall not pay any off-duty City employee covered by this Agreement for time spent in attendance at the arbitration hearing on behalf of the Union or grievant.

- H. In case of a grievance involving any continuing or other money claim against the employer, no award shall allow any alleged accruals for more than one (1) pay period prior to the date when such grievance shall be submitted in writing.
- I. In settlement of any grievance resulting in retroactive adjustment of pay and/or benefits, such adjustment shall be limited to a nine-month period beginning with the date of the issuance of the appeal of arbitration.

Notice of Meetings

The city shall be responsible for giving notice of meetings and conferences to all parties at least twenty-four (24) hours prior to any meeting regarding a grievance whenever possible.

Representation

1. The employee has the right to the assistance of one recognized Union Steward or union staff representative of the Union in the preparation and/or presentation of his/her grievance in Step 1 through 3 of this procedure.
2. An employee is also entitled to represent him/herself individual at any step of the grievance procedure, except in the arbitration procedure outlined in this Agreement.

Only the Union may file for arbitration of a grievance.

1. A grievant may not change his/her designation of representative organization during the processing of a grievance, except by mutual agreement or the parties.
2. If the employee is represented in a formal grievance meeting, the department may also designate a management representative to be present in such meeting.
3. The grievant(s) shall be allowed reasonable time to meet with a designated representative before and after a grievance meeting.

Grievance Withdrawal

The grievant may withdraw the grievance at any stage of the grievance procedure by giving written notice to the City representative who last took action on the grievance, with a copy to the Human Resources Division.

Grievance Resolution

If a grievance is resolved at Step 2 or 3 in the procedure as provided herein, the grievant concerned shall indicate acceptance of the resolution by affixing his/her signature in the

appropriate space indicated. If the employee has been represented by the Union at the Step of the procedure at which a resolution is reached, the Union representative shall also sign the appropriate document acknowledging that the employee has accepted the resolution.

Decisions on grievances where an employee represents him/herself shall not be considered precedent setting or binding with regard to any future grievances filed with respect to the same or similar matters.

Consolidation

The City may consolidate grievances, where, in its discretion, the grievances present substantially similar issues.

The Union may file group grievances at the second step of the grievance procedure within fifteen (15) working days of the action causing the grievance or of the date the action reasonably could have been expected to be known to the grievant by listing each person who claims to be adversely affected and all other data required in this article.

If the grievant involves multiple employees within the same unit/department with the same supervisor, the grievance shall start at step one (1).

Processing Grievances

The grievant and union representative (Steward) shall be granted reasonable time off without pay from regularly scheduled duty hours to process a grievance, provided that the time off will be devoted to the prompt and efficient investigation and handling, subject to the following:

- A. The grievant shall not suffer any loss of pay for attending any regularly scheduled grievance hearing required by the procedure herein set forth.
- B. In no event shall a grievant be represented by more than one City employee at the grievance hearings. The Union may have an additional Steward in training present.
- C. Grievances may, by mutual agreement, be referred back for further consideration or discussion at a prior step or be advanced to a higher step of the grievance procedure.

XIV. Disciplinary Procedure

The purpose of discipline is to improve employee performance. It is the policy of the city that discipline should be characterized as corrective rather than punitive. Accordingly, any necessary discipline shall be approached positively and in a spirit of fairness and equal treatment. Disciplinary actions should be utilized as an element of an overall program to educate employees and promote proper employee conduct. When circumstances permit, Department Directors are encouraged to pursue a philosophy of “progressive discipline”

by administering and gradually increasing disciplinary actions for each successive instance of employee misconduct. Each level of progressive discipline, from the written reprimand through dismissal, shall be consistent from division to division and shall follow a logical series of progressive steps, each step documented by supervisor's notes in an employee's personnel. Although internal consistency in administering discipline is desirable, numerous factors should be considered in determining the appropriate level of discipline to be assessed at each successive step. Some of the factors involved included, but are not limited to, the employee's length of service, time interval between offenses, effectiveness of prior disciplinary actions, willingness to improve, overall work performance, job attitude, and disciplinary actions previously administered to other comparable employees for similar offenses. A repetition of the same offense or other serious offenses indicates that more severe disciplinary measures should be considered. This disciplinary action should reflect the totality of violations in considering the appropriate extent or degree of disciplinary action. When imposing disciplinary measures on a current charge, supervisors will not take into consideration prior infractions of the City or departmental rules and regulations which occurred more than two years previously. The parties agree that certain offenses of such a serious nature that immediate discharge upon first offense is appropriate.

The City Manager or his/her designee may take disciplinary action against any employee in the service of the City provided that the rules and regulations prescribed herein are followed and that any permanent employee who is not on any form of probationary status has the right to appeal pursuant to this section, except as herein provided. All employees involved in an administrative investigation, whether as the accused or as a witness, have an obligation to be honest and truthful. Refusal to cooperate fully in any administrative and/or non-criminal work-related investigation is a violation of City personnel standards. An employee has the right to Union representation in investigatory interviews where a supervisor or management official asks those questions about a matter that the employee believes could lead toward disciplinary action. An investigatory interview occurs when a supervisor questions an employee to obtain information that could be used as a basis for discipline or asks an employee to defend his or her conduct. Employees do not have the right to union representation if the meeting is only to tell them about discipline that has already been decided or to give other direction. As used in this section, "disciplinary action" shall mean written reprimand, suspension, disciplinary demotion, involuntary leave, and dismissal.

A. Progressive Discipline - If it is necessary to take corrective action in regard to an employee's performance or conduct, the City agrees to use progressive discipline and to work with Union to develop a specific code of conduct. Constructive efforts will be made by management toward helping employees fully achieve satisfactory standards or conduct and job performance. Notwithstanding any other term of this subdivision A, where the City Manager, in his/her discretion, has determined that an employee has engaged in serious misconduct based on the potential harm to fellow employees, City or private property, public trust, or other similar factors, disciplinary action of greater severity, including termination of employment, may be taken without observance of progressive discipline.

B. Counseling and Guidance – Counseling is not a form of discipline. In the event that employee’s performance or conduct is unsatisfactory or needs improvement, verbal or written counseling shall be provided, which shall come from a supervisor or manager in the employee’s chain of command. Counseling is separate from ongoing worksite dialogue and should address specific performance or conduct which, if not improved, may result in further disciplinary action. Documentation of such counseling shall be given to the employee at the time of the counseling. When appropriate, verbal counseling shall precede written counseling, which shall precede more serious disciplinary action. The purpose of guidance and counseling is to encourage employees to improve their job performance, work habits, attitudes, or behavior. In issuing counseling and guidance, the employee’s immediate supervisor shall identify and define the area in need of improvement and inform the employee how such improvement can be realistically achieved. A record of the discussion must be given to an employee in memo form. Such counseling and guidance is not to be constructed as a written reprimand nor will it be issued on a disciplinary form.

Notice of Proposed Disciplinary Action

In order to institute disciplinary action, the employee’s immediate supervisor or his/her designee shall serve notice of disciplinary action in accordance with the following procedures.

Except as otherwise provided herein or when emergency or other special circumstances require immediate action a notice of disciplinary action (other than for written reprimands) shall be provided to the employee, no less than five (5) calendar days prior to the effective date of any punitive action against the employee.

The notice of proposed disciplinary action shall include the following:

- A. The nature of the disciplinary action;
- B. The effective date of action;
- C. The causes for the action in ordinary, concise language with the dates and places thereof, when known;
- D. A statement that identifies the material upon which the action is based and states that it is available for inspection; and
- E. A statement advising the employee of his/her right to respond either verbally or in writing to the appointing authority or his/her designee imposing the disciplinary action prior to the effective date, the right to be represented in that response, and that members of the bargaining unit are represented by SEIU Local 521, and the

address and telephone number of the union office at 334 Monterey Street Salinas, CA 93901

The employee has the right to the assistance of a union steward in addition to a staff representative of the Union in the preparation of his/her response to the notice of disciplinary action. Preparation of a response to the proposed disciplinary action shall not be done while on duty nor in a manner which promotes a hostile work environment for other employees.

Notice of Implementation of Discipline

To implement the proposed disciplinary action or a lesser disciplinary action based on the same cause(s), a notice of disciplinary action shall be provided to the employee, on or before the effective date of the disciplinary action.

The notice of disciplinary action shall contain the information in items A, B, C and D of above and, in addition, shall include a statement as to the right of appeal and representation by a party of his/her own choice and shall include a referral to the section of this Agreement concerning appeals from disciplinary action. City employees are expected to abide by and may be disciplined for violation of either City or departmental rules and regulations. Recognizing that each instance of misconduct differs in many respects from somewhat similar actions, the City retains the right to treat each occurrence on an individual basis without creating a precedent for other cases which may arise in the future. Examples given in any rules do not limit the generality of the rules. The Union and the City agree the Code of Conduct jointly development will provide recommended progressive penalties to apply for specific offenses; however, the recommended penalties may be modified by management including a lesser or more severe penalty when extenuating circumstances are found. The City Manager shall appoint and, when deemed necessary for the good of the City shall suspend or remove any City employee.

Written Reprimand

An appointing authority or his/her designee may reprimand an employee by furnishing the employee with a statement, in writing, of the specific reasons for such reprimand. Supervisors shall inform employees promptly and specifically whenever their performance, attitude, work habits, or personal conduct, at any time, falls below a desirable level. In situations where guidance and counseling has not resulted in the expected improvement, or when an employee commits an offense requiring formal supervisory acknowledgement, an employee Disciplinary Action form must be issued specifically defining the nature of the infraction under the Code of Conduct. The information should include a complete description of the incident of misconduct and refer to specific time, dates, locations, personnel involved, and rules violated. A copy of notice of the reprimand shall be given to the Human Resources for inclusion in the employee's personnel file and shall be subject to limited appeal. The employee and/or his/her representative shall have the right to discuss the reprimand with the appointing authority or his/her designee. The appointing authority or his/her designee may correct the notice

of reprimand, at his/her discretion. The employee may submit a written response that shall be placed in his/her personnel file.

The Performance Improvement Plan (“PIP”) is intended to give the employee an opportunity to improve performance and shall be in effect for a specified period of time, from one week to six months, but not to exceed six (6) months for each such instance, with the understanding that should the causes for such action not be satisfactorily corrected or remedied during the period, disciplinary action may be taken. However, the City retains the right to take appropriate disciplinary action against an employee during the term of his or her PIP for misconduct unrelated to the PIP, or if it becomes evident that the employee is not complying with the PIP and will not satisfactorily complete it.

Suspension

The City Manager may suspend an employee without pay. Documents related to a suspension become part of the employee’s permanent work record. An employee subject to suspension will receive prior written notice and the right to appeal any suspension. Suspensions shall be issued on a consecutive workday basis. Suspension for two or more offenses must be cumulative and cannot be served concurrently.

Administrative Leave

The City Manager may place an employee on administrative leave from his/her position at any time for reasons of investigation for disciplinary action. Such administrative leave shall be with pay. Written notice of such administrative leave shall be given to the employee as soon as possible but not later than seventy-two (72) hours after such action is taken. Such administrative leave is not a disciplinary action shall not be subject to appeal.

Demotion

The City Manager may demote an employee, for disciplinary reasons, to any position with a lower salary range, provided the employee meets minimum qualifications for the lower-level position. Such demoted employee shall not be eligible for promotion for a period of six (6) calendar months.

Dismissal

The continued tenure of each employee who has permanent status shall be subject to his/her satisfactory conduct and the rendering of efficient service. Should the cause for disciplinary action so warrant an employee may be dismissed.

Absence without Leave Separation

An employee's absence from duty for a period which exceeds three (3) working days without authorized leave shall be considered to have abandoned his/her position and to have automatically resigned.

Nothing herein shall preclude the City from disciplining an employee for cause, which consists of a course of conduct or history of performance.

Appeal of Disciplinary Action

Only full-time employees, who are not on probation, shall have the right to appeal from disciplinary actions. Appeals shall be governed by Personnel Rule 12 and the terms of this MOU.

In such cases the employee must, at the time of filing of the initial appeal, indicate which appeal procedure he/she is filing under. The designation of appeal procedure at the time of filing shall constitute a binding election of that appeals procedure and an irrevocable waiver and forfeiture of any and all rights of appeal procedure.

The written notice of appeal must:

- A. State the basis of the appeal.
- B. Be filed with the City's Human Resources designated office.
- C. Indicate which of the available appeal procedures the appeal is being requested.
Appeals to arbitration shall only be filed by the Union.

Failure to appeal within the time limit set forth in this section shall constitute an irrevocable waiver of the right to process the appeal to arbitration.

Within ninety (90) calendar days of the receipt of the appeal to the City and the Union shall agree upon an arbitration hearing date. The parties shall select a mutually acceptable arbitrator. If the parties cannot agree on an arbitrator, they shall request a list of arbitrators from the California State Mediation and Conciliation Service. The arbitrator shall not have the power to add to, subtract from, modify or alter the terms of a collective bargaining agreement in arriving at a decision of the issue or issues presented, and shall confine his decision solely to the interpretation or application of the agreement. The arbitrator shall not have the authority to determine any other issues not submitted to him.

Processing Disciplinary Appeals

An employee acting in the capacity of union representative (**Steward**) shall be granted reasonable time off, no more than six (6) hours per month, with pay from regularly scheduled duty hours when:

1. Formally meeting and conferring with representatives of the City on matters within the scope of representation.

2. Testifying or appearing as the designated representative of the Union in conferences, hearings, or other proceedings before the Public Employment Relations Board, or an agent thereof, in matters relating to a charge filed against the City or by the City against the Union.
3. Testifying or appearing as the designated representative of the Union in matters before a personnel or merit commission.
 - a. The Union shall provide reasonable notification to the City requesting a leave of absence without loss of compensation.
 - b. For the purposes of this section, "designated representative" means an officer of the employee organization or a member serving in proxy of the employee organization.

If on-duty personnel are subpoenaed to the arbitration hearing, they will be released from duty only for the time required to testify, providing the employee returns to work upon conclusion of his/her testimony. Under the provision no more than one employee will be released from duty at a time. Any additional arbitration cost caused by this provision will be paid by the City. No off-duty employee who is grievant or subpoenaed by the grievant against the City shall be compensated under this section. Arbitration proceedings will be held on City property, as mutually agreed.

Personnel Records

Employees shall have the right to inspect and review any official record relating to his/her performance as an employee which is kept or maintained by the City. When any comment adverse to an employee's interest is entered into his/her official personnel record, the employee shall have the opportunity to read the adverse entry and provide a written response for inclusion in the record.

An employee, or representative of the Union, with prior written consent of the employee may, upon written request inspect and/or obtain a copy of any document within the employee's file during regular business hours.

Any disciplinary and/or adverse records within an employee's personnel file shall cease to be considered for purposes of progressive discipline after two (2) years. At the request of the employee, materials relating to disciplinary actions which are two (2) or more years old shall be removed provided there has been no reoccurrence of the conduct on which the original discipline was based. Performance evaluations shall be excluded from this provision.

Materials relating to disciplinary actions for misappropriation of public funds or property; misuse or destruction of public property; the use or being under the influence of drugs or alcohol at work; acts which would constitute a felony; acts which present an immediate danger to the public health and safety; or acts of harassment or discrimination based on protected status which have been in the employee's personnel file for five (5) years or more shall not be used. At the request of the employee, material relating to such

disciplinary actions which are five (5) or more years old shall be removed, provided there has been no recurrence of the conduct on which the discipline was based.

Article XV. Term

The term of this Memorandum of Understanding shall commence from July 1, ~~2025~~, to June 30, ~~2026~~, when said Memorandum shall expire and be of no further force or effect.

Article XVI. Separability

If any article or section of this Memorandum of Understanding should be found invalid unlawful, or unenforceable, by reason of existing or subsequent enacted legislation or by judicial authority, all other articles and sections of this Memorandum shall remain in full force and effect for the duration of this Memorandum. In the event of invalidation of any article or section, the City and the Union agree to meet within thirty (30) days, for the purpose of meeting and conferring upon said article or section.

FULL UNDERSTANDING MODIFICATION, WAIVER

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding, agreements or past practice by the parties, whether formal or informal, in writing or verbal, regarding any such matters hereby superseded or terminated in their entirety.

Existing matters within the scope of representation which are not referenced in the Memorandum of Understanding and which are subject to the meet and confer process shall continue without charge unless modified subject to the meet and confer process.

The City assures the Union that unless changes are warranted by operational or financial necessity it does not intend, nor does it anticipate, during the term of this Memorandum of Understanding any change, modification or cancellation of wages, hours, and working conditions which are subject to meet and confer and contained in this Memorandum.

Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, although they may mutually agree otherwise, to negotiate with respect to any subject or matter covered herein within the scope of negotiations, during the term of this Agreement.

Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by the City Manager, or if appropriate, the City Council.

The waiver of any breach, term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its term and provisions.

If, during the term of this Agreement, and impasse is reached during the course of negotiations over wages, hours, or other terms and conditions of employment and the Union may request that the disputed differences be submitted to a fact-finding panel. At the end of the fact-finding process, the City may impose its last, best, and final offer but only after holding a public hearing.
